ALBUQUERQUE REGIONAL  
COMMUNITY CHAPLAIN CORPS

Honesty - Integrity - Commitment

## **CULTIVATE is a COMMUNITY GROUP of the Albuquerque Regional Community Chaplain Corps**

### **Goal / Mission / Vision / Reminders:**

**Goal:** To glorify God!

**Vision:** Knowing that families are the basic building block to any healthy society; we desire to strengthen our community by offering emotional and spiritual care to families, teachers, and schools. By extension, we hope to brighten the lives of children in the Albuquerque Area. We purpose to carry the gospel with us and share when asked or during after school hours.

**Mission:** Families Schools Community Group's Mission is a group of volunteer chaplains and parents/grandparents who bring Hope & Resilience to teachers, administrators, staff, parents and by extension, children. We aim to prevent negative long-term effects due to stress from grief, loss, and other factors by meeting with APS staff and providing emotional / spiritual care. We will be available to listen, encourage and share when called upon. When more support is needed, we refer to professional services.

**Statement of Limitations:** FSCG is not professional counseling nor psychological care. FSCG trains in Critical Incident Stress Management, Suicide Prevention, and Mental Health First Aid. We provide emotional & spiritual care to individuals. Chaplaincy acts as "emotional triage" for individuals who are experiencing stress and helps them determine next steps to restore hope and build resiliency. We are volunteers bringing practical support and hope to communities.

**Confidentiality and Mandated Reporter Statement:** The purpose of confidentiality is to provide a safe place where concerns, questions, or burdens can be shared without fear of disclosure. It provides a context of respect and trust where hurting people can come forward seeking help without the fear of punishment or embarrassment. The only information that will be recorded will be contact information. As Mandated Reporters we are required to report any suspected cases of abuse, neglect or exploitation of the disabled, children or the elderly. What this all means is your information will be kept confidential unless you intend to cause harm to yourself or another.
